

Spencer Community School District Internet, Publication, Video Waiver

Students attending Spencer Community School District may occasionally have their name, photograph(video or still), art work, written work, voice, or verbal statements appear on the Districts web site (www.spenceriowaschools.com), in District publications, educational tools, or publicity. This material may or may not identify the individual student and may be used by the District in subsequent years.

Signing this form indicates your **disapproval** for the student's name, photograph(video or still), art work, written work, voice, or verbal statements to appear on the Districts web site (www.spenceriowaschools.com), in District publications, educational tools, or publicity.

AGREEMENT

Spencer Community School District agrees that the requested student's name, photograph(video or still), art work, written work, voice, or verbal statements will not appear on the Districts web site (www.spenceriowaschools.com), in District publications, educational tools, or publicity. Student photographs CAN be included in class composites, year books and athletic programs.
